The **NEW** 2HP Aqua Control Select Series II Display Aerator Fountains offer the highest spray patterns of their type in the industry, with the lowest power consumption in it's class.

These long lasting, quality USA made display aerator fountains are composed of high strength composite materials which brilliantly combine beauty and functionality with increased efficiency.

These high performance aerators have been re-engineered to minimize stress on the motor, providing increased performance, robust reliability, maximum display output, all obtained with lower power consumption.

The Aqua Control Select Series II Display Aerator Fountains combine high performance spray patterns for a spectacular visual display, while functionally aerating the water body with the highest levels of efficiency.

The **NEW** 2HP Aqua Control Select Series II Display Aerator Fountains have a wide range of spray patterns designed to fit various sized and shape water bodies. Whether you have a deep or shallow water body, there is a motor configuration that will suit your needs.

The new 2HP Aqua Control Select Series II Display Aerator Fountains are Australian electrically compliant (Compliance certificate No: SGS/130231) for your safety.

These highly efficient units are available in Plug 'n' Play kits for simple DIY installation, plugging directly into a standard 240volt, 10amp power point (GPO). Kits come with a standard control panel and fountain motor and water proof power cord in lengths of 35m, 55m or 75m.

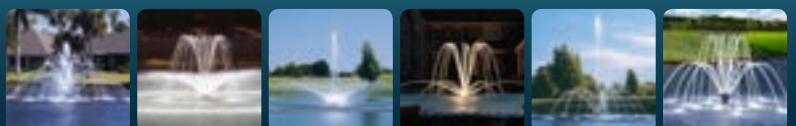

Efficient LED night lights easily attach so that you can enjoy your fountain 24 hrs a day.

2HP SELECT SERIES II

DISPLAY AERATION FOUNTAINS

EXCLUSIVE AUSTRALIAN IMPORTER:  **AQUATIC TECHNOLOGIES** www.fountainsaustralia.com.au

Super Lily

Style: Low-Wide

The Super Lily is a 2 tier pattern with a beautiful, wide, low fan pattern. It has 12 high, smaller diameter arching stream. The Super Lily lights well at night and the fan is quite wind resistant.

Performance		Power	
Height (m)	3	Single Phase	
Diameter (m)	10.7	240V	
Output (M ³ /H)	80	10amp	

Super Jimmy

Style: Narrow-Fill

The Super Jimmy has an impressively high, heavy, center stream surrounded by 16 heavy, lower arching streams.

Performance		Power	
Height (m)	3.7	Single Phase	
Diameter (m)	4	240V	
Output (M ³ /H)	80	10amp	

Double Arch

Style: Tiers-Wide

The Double Arch is a 2 tier pattern that has 8 high, coherent, arching streams and 8 similar, lower, arching streams. This pattern maximizes the visual impact of this type of 2 tier pattern with maximum height.

Performance		Power	
Height (m)	3.7	Single Phase	
Diameter (m)	6.7	240V	
Output (M ³ /H)	80	10amp	

Trillium

Style: Wide-Fill

The Trillium is a 3 tier pattern. The vertical stream is surrounded by 2 tiers of 8 heavy, gracefully arching, coherent streams with each tier shorter than the previous tier but with an increased diameter.

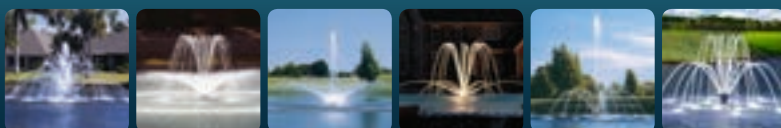

Performance		Power	
Height (m)	3.7	Single Phase	
Diameter (m)	5.5	240V	
Output (M ³ /H)	80	10amp

WATER FEATURES

2HP SELECT SERIES II

DISPLAY AERATION FOUNTAINS

EXCLUSIVE AUSTRALIAN IMPORTER:  **AQUATIC TECHNOLOGIES** www.fountainsaustralia.com.au

Daffodil

Style: High-Wide

A wide, low fan and thick, high, center stream. Ideal for windy lakes. Perfect for golf courses where high and solid pattern might block the view of a green. The low fan and the single, coherent, center stream would not obstruct the view.

Performance	Power
Height (m)	3.7 Single Phase
Diameter (m)	9.1 240V
Output (M ³ /H)	80 10amp

Tornado

Style: High-Volume

The Tornado produces the maximum pumping rate and the highest oxygen transfer rates of any Display Aerator while creating a beautiful, full, conical spray pattern.

Performance	Power
Height (m)	2.7 Single Phase
Diameter (m)	7.6 240V
Output (M ³ /H)	80 10amp

Spider & Arch

Style: High-Wide

The Spider & Arch produces 8 beautiful, high, heavy, arcing, coherent streams and 8 wide, low, heavy streams that create a large diameter pattern.

Performance	Power
Height (m)	3.7 Single Phase
Diameter (m)	11 240V
Output (M ³ /H)	80 10amp

LED Fountain Lighting Kit

Optional

Kit includes 3x35W LED fixtures with your choice of colours:

- Cool White (Standard)
- Warm White
- Red
- Green
- Blue
- Amber

EASY DIY INSTALLATION

- Power Cord lengths: 35m, 55m & 75m
